21.3 In-Match Sanctions: The Presidential Sanction Tier System

Kings League operates a unique tiered sanction system for presidential misconduct. Unlike standard player sanctions, presidential misconduct sanctions results in a numerical disadvantage imposed on the President's team, reflecting the collective responsibility that comes with the presidential role.

The system operates across four sanction tiers, which are applied either progressively or directly based on the severity of the individual offence, at the discretion of the match referee and, where applicable, the Competition and/or the Disciplinary Committee.

Tier 1 - Minor Misconduct Sanction: Team plays with 1 player less for 2 minutes, beginning from minute 5 of the period in which the sanction is awarded.

Tier 2 - Moderate Misconduct Sanction: Team plays with 1 player less for 4 minutes, beginning from minute 5 of the period in which the sanction is awarded.

Tier 3 - Serious Misconduct Sanction: Team plays with 2 players less for 2 minutes, beginning from minute 5 of the period in which the sanction is awarded.

Tier 4 - Severe Misconduct Sanction: Team plays with 2 players less for 4 minutes, beginning from minute 5 of the period in which the sanction is awarded.

Application of the Tier System

Progressive Application

Where a President incurs multiple sanctions, tiers escalate progressively as follows:

- 1st Offence - Tier 1 - 1 player less - 2 minutes
- 2nd Offence - Tier 2 - 1 player less - 4 minutes
- 3rd Offence - Tier 3 - 2 players less - 2 minutes
- 4th Offence - Tier 4 - 2 players less - 4 minutes

5th Offence+ - Automatic referral to Competition and Disciplinary Committee and enhanced sanctions at full discretion

5th Offence and Beyond

Upon a President incurring a fifth sanction, whether within a single match or accumulated, the matter shall be automatically referred to the Competition and Disciplinary Committee for review. At this stage, the Committee holds full discretion to impose sanctions beyond those listed in Tiers 1-4, including but not limited to:

- Extended or indefinite suspension from pitch-side areas
- Match attendance bans
- Suspension
- Escalated Virtual Economy fines
- Any other measure deemed appropriate to protect the integrity of the Competition including possible permanent removal

Severity-Based Application

This means a President's first offence in a match or competition may be sanctioned at the appropriate tier if the nature of the conduct is sufficiently serious.
